Upgrade your dining space with the brand-new . Plus dining table & chair!

The new and improvised version of the . dining range is just what is needed to take the functionality as well as aesthetics of your dining space up by a notch. This dining set founded on a solid rubberwood frame offers modern aesthetics and utmost utility as you work from home or share a meal with your family and friends. The on-trend and stylish set is ideal for dinner parties, festive family feasts & casual meals alike and makes this set a perfect pick for the constant entertainer!

The . Plus dining table crafted from a solid rubberwood frame which stands on top of uniquely designed & structured legs is the perfect addition to the dining space. The rounded corners and streamlined silhouette add a touch of contemporary appeal, whereas the minimalistic structure give it a simple yet sophisticated look. The table offers more than enough space for you and your loved ones to gather while the open design of the legs lends a sleek appearance. The smooth and easy-to-clean table comes with a natural finish and can seat up to six comfortably.

The . Plus dining chairs flaunt a 360° swivel mechanism which allow for extra movement without having to twist while seated. Extended curved backrest ensures accurate support to the back whereas the well- cushioned seat ensures the best comfort for hanging-out at the dining table post meals. The dark brown colour of the wooden frame is perfectly complimented by the light-colored ivory PVC upholstery of the chair.

360° Swivel Mechanism

Complete revolving chairs feature convenience of moving around with ease

Angled Backrest

Slightly angled backrest ensures ergonomical posture along with an enjoyable mealtime

Safe & Secure

No sharp edges and corners makes the set safe around children & adults

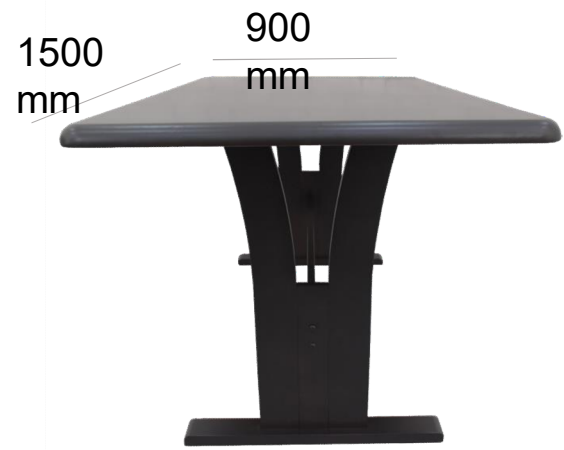

Quadra-Pod Design

The unique quadra-pod leg design of the chairs add to overall aesthetics of the set

Durable & Premium

Solid rubberwood structure of the table & chair ensure the best durability and elegance
