**STITCHED WITH CARE FOR
LASTING PERFECTION**

Every detail on LaSede and Marvel has been crafted carefully to lend them outstanding class and durability.

PERSONALIZED LUMBAR SUPPORT

The wishbone spine of the chairs can be adjusted vertically along the back of the chairs, allowing the user to choose a setting that gives optimal comfort.

LA SEDE

Made from pure leather, La Sede is a sheer masterpiece in sophistication. From the backrest to the armrest, experience a smooth feel of the rich leather material. Available in black and tan colour options, it is understated class at its finest.

MARVEL

Made from leatherette material and stylishly designed in black, Marvel resembles power like none other. A headset that's comfortable yet stylish. A stitch line alignment on the backrest that makes it perfect in every way.

HEIGHT ADJUSTABLE BACK

The contoured lumbar area can be adjusted to suit your back profile by adjusting the back height.

HEIGHT ADJUSTABLE ARMS

The wide, soft edged PU top armrests provide complete support to elbows and forearms. The height of armrests can be adjusted as per need.

SEAT DEPTH ADJUSTMENT

The seat depth adjustment helps fit different body types.

T-SPINE STRUCTURE

This supports the contoured chair back, providing flexibility in the back height adjustment.

ACTIVE BIO-SYNCHRO MECHANISM

The Active Bio-Synchro mechanism senses your body weight and tilts accordingly even as the seat glides in tandem with the back. This provides full contact and continuous support to the back in all tilt positions. The chair comes with 5 position tilt limiter.
