

Best Quality Hardware

The hardware used in assembly of our products is of superlative quality. This makes the product durable offering a delightful experience to our customers.

SAFEDGE

The edge-banding on all edges of our furniture is of highest quality and has non-sharp edges, very important for users' safety, especially for children.

DURALAM

The lamination cover is treated by a process of Melamine Impregnation that offers it superior abrasion and stain resistance, which increases the life of the lamination multi-fold.

Sturdy Construction

Body panels are made of 1.5 cm thick Prelaminated Particle Board. All the edges are edge banded with 1 mm thick PVC edge banding.

Thorough Product Testing

All our products undergo rigorous testing as per international standards in our in-house laboratories, for strength and durability before they are made available to our customers for the first time, so that users can feel assured about product's durability and longevity.

Specification

With Overhead Unit:No
Door Type:Hinged
Delivery Condition:Knock Down
Sales Package:1 Wardrobe
Primary Material:Engineered Wood
Primary Material Subtype:Particle Board
Finish Color:Dark Walnut
Dimensions W x H x D (cm):120 x 191 x 54.5
